EDUCATION

Dr. B.R. National Institute of Technology , Jalandhar 2023 - Current
B.Tech - Computer Science and Engineering - CGPA - 9.53 *Jalandhar , Punjab*

Vidhaan Public School , Duhai, Ghaziabad 2021 - 2023
CBSE , Senior Secondary Education - Percentage - 95.8 *Ghaziabad , Uttar Pradesh*

PROJECTS

Social Music Streaming : VibeRoom [↗](#) [🌐](#) Mar 2025

- **Real-Time Social Music Experience** – Users can **view friends' listening activity**, engage in **live chat**, and interact with a draggable mini-player and full-featured playback system.
- **Admin & User Management** – Built an **admin dashboard** with CRUD functionalities and integrated **secure authentication** using Clerk for OAuth and multi-device access.
- **Scalable Architecture** – Utilized **Zustand for state management** and **WebSockets (Socket.io)** for real-time communication, ensuring a responsive and seamless experience.

Tech Stack: React, TypeScript, Tailwind, Node.js, Express, MongoDB, Clerk, Zustand, Socket.io

AI Based Travel Planner : Trip Genie [↗](#) [🌐](#) Feb 2025

- **Personalized Itineraries** – Generated **500+ customized itineraries** based on budget and locations.
- **Smart Recommendations** – Suggested hotels & activities options with **80% accuracy** based on AI insights.
- **Google Maps Integration** – Offers seamless access to location details with direct Google Maps links for effortless navigation.

Tech Stack: Auth.js, Firebase, React, Google Places API, Google Maps API, Gemini

Anonymous Advice Service : Anon-Mess [↗](#) [🌐](#) Dec 2024

- **Completely Anonymous Messaging** – Facilitated **50+ messages exchanged** without revealing identities.
- **Secure Conversations** – Ensured **end-to-end encryption** for privacy protection.
- **Community-Based Advices** – Achieved **10+ user engagements**

Tech Stack: Next.js , Node.js, Express.js, MongoDB, React, Mailer, NextAuth, Tailwind, ShadCn

TECHNICAL SKILLS

Languages: C, C++, JavaScript, **Python** , **TypeScript**, SQL

Technologies/Frameworks: HTML5, CSS3, **Next.js**, **React.js**, **Node.js**, Express.js, MongoDB, PostgreSQL, , Firebase, Auth.js, Tailwind CSS, ShadCN, Google Places API, **OpenAI**, **NumPy**, **Pandas** , Zustand , Socket.io

Core Subjects: **DSA**, Object-Oriented Programming (OOPs), **Machine Learning**, Probability, DBMS

ACHIEVEMENTS

- **Batch Topper** – **Rank 2** in the entire college by CGPA.
- **Academic Excellence** – Achieved a **9.96 SGPA** in the 3rd semester.
- **Scholarship Awarded** – Received a **25,000** scholarship for outstanding academic performance.
- **Competitive Programming** – **1700+ rating** on LeetCode and **3-star** rating on CodeChef.
- **Problem Solving** – Solved **500+ problems** on LeetCode.

CLUB INVOLVEMENTS

- **Competitive Programming Team Member** – Google Developer Groups Community, NIT Jalandhar (GDGC NIT'J)
- **Management Team Member** – CyberNauts
- **Active Member** – LADC & Zeal Debating Clubs
